CAP DRIVER

Network Technology

FLEXIBLE PRODUCTION SYSTEM

Using advanced network technology, users can link together as many Ricoma SWD machines as desired to create an extremely flexible production system. Embroider the same design on all of your machines at the same time or embroider different designs on individual machines simultaneously.

Included table and sash frame

FLAT TABLE W-3220

Each SWD Series embroidery machine includes a flat table with a sash frame designed for embroidering large and heavy items like towels, curtains, drapery and more!

Device dimensions: Extra large embroidery area 800 mm x 500mm (80x 50 cm, 32" x 20")

Expand your embroidery area with the 32" x 20" sash frame!

Startup package

EQUIPPED WITH ALL THE ATTACHMENTS TO GET STARTED RIGHT AWAY

Our SWD Series is ideal for commercial embroidery on caps, bags, denim, finished garments and plenty more. Equipped with all the necessary attachments to get started, the SWD is ideal for startups or established apparel businesses that want to add or expand their embroidery capabilities.

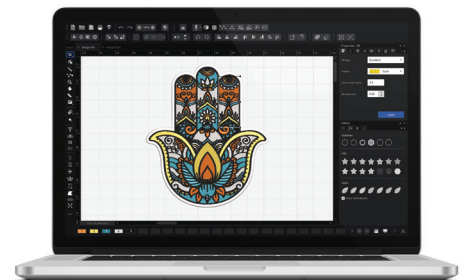

HEAVY DUTY STEEL STAND

Each SWD includes a heavy duty steel stand to support the machine. The stand's wheels assist with mobility and portability.

HIGH DEFINITION TRUE COLOR 8" LCD TOUCH SCREEN + PANEL

The modern touch screen interface and ergonomic panel allow for a user-friendly experience.

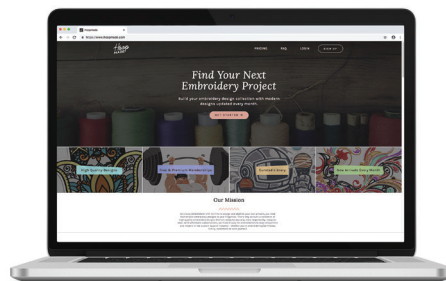

CHROMA SOFTWARE

Chroma, Ricoma's new proprietary software, is designed to allow both the novice and experienced digitizer to create even the most intricate designs with ease and speed.

AMANN STARTER KIT

Each starter kit comes with 20 spools of 100% polyester thread, two spools of metallic thread, a 144-piece box of pre-wound bobbins, two needles and four types of backing. *Items may vary.

THREE-MONTH SUBSCRIPTION TO HOOPMADE

You will get the highest tier subscription, which includes access to premium designs in multiple sizes, cap designs, 3D puff designs, and patch designs.

TRAINING AND SUPPORT

Ricoma provides free hands-on training with the purchase of any embroidery machine. Our customer support is available 7 days a week and after hours.

*The above-mentioned items are included in the startup package only when purchased directly from our U.S. Headquarters – Ricoma International Corporation.

Optional add-ons

BROADEN YOUR POSSIBILITIES WITH THESE AFFORDABLE AND EASY-TO-USE ADD-ONS!

These attachments make hooping and adding embroidery effects a breeze. Embellish your designs with sequins, boring or cording; or use specialty hoops for all embroidery needs.

SEQUIN DEVICE

Attach the optional sequin device to your embroidery machine for a pop of sparkle to your embroidery and a quick and easy fill.

BORING DEVICE

This device punctures holes into embroidered designs and encloses the raw edges with stitches to create a beautiful effect within minutes.

CORDING DEVICE

Easily create an embroidery effect with the cording device, which lays cord on fabric and attaches the cord with transparent zigzag stitches.

8-IN-1 DEVICE

Designed for non-hoopable, difficult items such as shirt pockets, socks, backs of caps, shirt sleeves, collar tips and more.

ROBOT FRAME

Embroider on difficult-to-embroider and unusually shaped items such as bags, pockets, shoes and purses with the robot frame.

BELT HOOP

With an 8-inch x 4-inch embroidery area, the belt hoop allows ample room for embroidery on belts and straps.

MIGHTY HOOP

With a wide variety of hoop sizes to choose from, these magnetic hoops make it quick and easy to hoop.

CAMERA POSITIONING DEVICE

Aids in correcting position and direction of designs in the case of improperly hooped items to ensure a precise embroidery outcome.

LASER DEVICE

With this easy-to-install tracing tool, there's no more hitting hoops — just simply watch the laser pointer trace the design in seconds.

Optional extended embroidery area

EXTENDED TABLE EW-4820

The extended table is the perfect aide for embroidery on oversized items such as drapery, blankets, banners, mattress borders, wedding dresses, quilt covers and much more.

Device dimensions Extra large embroidery area 1,200 mm x 500mm (120 x 50 cm, 48" x 20")

EXTENDED TABLE EW-4820
